

GLOBAL LIFE SCIENCE
PARTNERING & INVESTOR *Conference*
PRESENTED BY: BIOCOM CALIFORNIA

FEBRUARY 27 - 29, 2024

THE LODGE AT TORREY PINES | LA JOLLA, CALIFORNIA

[Biocom California's 14th Annual Global Life Science Partnering & Investor Conference](#) is an exclusive global partnering forum that brings together senior executives, bankers, venture capitalists, and business development professionals from leading pharmaceutical and biotech companies.

Join us February 27th – 29th , 2024, where industry leaders will debate current trends, companies will showcase their latest technologies, and all attendees will have the opportunity to schedule one-on-one meetings with leading deal-makers.

The partnering conference and the relationships you build promise to be fruitful for your business ventures this year and for many years to come. We are excited by the prospect of continuing an annual biopharma partnering conference that brings together leading deal makers and emerging biotechs from around the world.

GROUP PRICING

International groups with 10 or more life science companies (excluding service providers) are eligible to receive group rates. If you are unsure whether a company is considered a service provider, please contact Shaye Exner at shaye.exner@biocom.org
